MINDS OF 73

Digitized by the Internet Archive  
in 2014

<https://archive.org/details/graftonhighschool1973graf>

With unselfish devotion to the students of Grafton High School, Mr. Leacu has contributed much to the advancement of the educational process of our school. Never quitting when he meets difficulties, he has given fully of his time and energy to stand by his beliefs, truly feeling that they are in the best interest of the students. Although he has only been in the school for two years, Mr. Leacu has done more for the students and the school than could be expected from anyone who had been here twice that time. Genuine concern for his students is the quality that radiates from Mr. Leacu, a quality that is hard to find in people today. It is with warm feelings and deep gratitude that we, the class of 1973, dedicate the Grafton High Annual to Nicholas Leacu.

"	4	Oxford	11

The varsity football season was an exciting one as they compiled a record of 4-5. With the exception of the Westboro game, all other contests were decided by one touchdown. Led by All-stars Tony Piscillo and David Wisell, the highlight of the season was a heartbreaking loss to undefeated Leicester 6-0, with the Indians clearly out playing the favored Wolverines.

Although the Girls Basketball Team completed their season 8-7, they finished in a flurry by winning the Clark University Invitational Tournament, which included a choice victory over West Boylston, a team that had defeated them twice in the regular season. Abby Armstrong and Ellen Connaughton were outstanding all year, with Abby being voted the M.V.P. of the tournament.

Having their finest season in recent years, the boys basketball team captured the Southern Worcester County League Championship by winning the final game of the season against W. Boylston 70-64 before a packed gymnasium on the home court. Inspired by Captain Peter Boutiette and Telegram & Gazette All-Star Steve Powers, the Indians ran off 9 straight wins during the middle of the season. Competing in the Clark University Tournament and the District III State Play-offs, the Indians advanced to the semi-finals at Worcester Tech before bowing to St. Marys of Worcester, the eventual state champion.

The varsity baseball team, plagued by illness and injuries to key players, struggled through a losing season. Bright spots for the future were the pitching of underclassmen Ray Balsar and Jim Lewis, and the hitting of Bill Sweeney and Steve Peterson. Captain Lee Phillips led the team in extra base hits, R.B.I.'s, and total bases.

Girls softball finished with a record of 8-6. Abby Armstrong, MVP award winner, won the team triple crown with a .600 batting average, 45 runs batted in, and 9 home runs. Other stand-outs were pitcher Chris Poirer, Donna Tomkiewicz, and Patti DeCaire.

Varsity Track indicated signs of future success with 40 candidates reporting and a new track in the making. Doug Hunter was an outstanding performer for the Indians as he set new records in the triple jump, winning this event in the District III State Meet held at St. Johns.
